## **A personalized plan of care is used to tailor services and activities for each participant. The plan is reviewed regularly to evaluate the goals and make changes if necessary.**

### **Alzheimer's, Dementia, Memory Loss**

We are proud to be the only adult day center in Dane County that offers a custom program for people with Alzheimer's, dementia, and other memory loss conditions.

Our center is also a certified MUSIC & MEMORY<sup>SM</sup> facility through Dan Cohen's certification program.

### **Customized Activities**

Activities are scheduled to fit the rhythms and behaviors of our participants which helps maintain a regular routine and nighttime sleeping pattern.

We keep our clients connected to the community by working with area volunteers and going on outings throughout the year.

**The Adult Day Center provides support and respite for you while your loved one is in a safe, social, fun environment and receiving care from professional staff.**

### **Peace of Mind**

Bringing a loved one to our center gives you time to run errands, go to work, or get some respite from caregiving. Meanwhile, you can trust they are receiving expert care and are engaged with various activities that meet their needs, abilities, and interests.

### **Daily Rate Includes**

- ✓ Health Monitoring
- ✓ Assistance with Personal Cares
- ✓ Medication Administration
- ✓ Nutritious Meals and Snacks
- ✓ Social Activities

Please contact us for pricing. The daily rate is dependant upon the level of care needed for each participant.

### **State Certified**

The Adult Day Center is certified by the Wisconsin Department of Health and is the largest day center in Dane County.

Participants attend 1-5 days per week and spend their day with us socializing and enjoying fun activities. Meanwhile, we provide a safe environment with professional staff to care for them and their medical needs.
