Dear Participants and Families,

We hope this newsletter finds you healthy and safe. We continue to follow the guidelines from the CDC and Public Health.

If any participant, any family members and/or housemate are getting tested for COVID-19, regardless if it is procedural, routine or because of symptoms we ask you to notify the day center immediately. Please keep your loved one home until test results come back & are communicated to the Adult Day Center staff. Confidentiality will be maintained. When returning to the Day Center you must be fever free for 24 hours without the use of medications and have a reduction in symptoms.

Please help us keep everyone safe and healthy and keep your loved one home if they are experiencing any illnesses. If they come in and show any symptoms we will call families and send them home.

ADC Pictures

Day center participants enjoyed the start of outings which took them to Denny's, The Goodman Center, Dunkin Donuts, bowling, coffee shops, Culver's and more. A huge thank you to YWCA, we couldn't do the outings without you! We also have started our outdoor garden and are enjoying watching everything grow. Lastly, we enjoyed entertainment from Patricia Stone and a drum circle with Jim Turk.

Kitchen Corner

Happy June! Another month of abundant assistance in the day center! Participants are setting and clearing the dining tables. Others are washing the tables and sweeping while others are folding laundry.

The garden area has some very ambitious helpers.

There are a couple of participants that rip up bread for our feathered friends.

Cheers to you!

Community Outings

Our community outings are back and we are busier than ever. Outings will now be held with the assistance of YWCA for transportation. A sign up sheet will be provided for each outing and it is up to you which ones you would like to attend. When there is a cost that goes along with the outing each individual will be responsible for their own fee. The Adult Day Center does not cover that cost. Please let the Recreation Specialist know places you would like to go so they can add it to the schedule. We are excited to go back into the community with you! In June some of the places we will be visiting are the VA museum, UW Geology building, the library, Olbrich Gardens and the Fire Station. Remember to sign up in advance!

Lilac poem

By: Ann B

Long ago at lilac time my grandma said to me please go and get some lilacs from that pretty tree.

So I went and got some lilacs from that pretty tree and gave them to my grandma who said I am happy now.

We then sat in the kitchen drinking our tea, talking about the beautiful lilacs she just received.

She told me how much she loves me.

C.N.A Week

We are thankful for our C.N.A's on a daily bases but they are celebrated nationally every June. We honor the important care they provide in all facilitates. This year National C.N.A week is celebrated June 16th-22nd.

Nursing assistants have redefined patient care thanks to their wide range of skills and wisdom to offer top-notch care to patients who require it.

With more than 2.5 million nursing assistants helping the elderly, chronologically challenged, and frail patients living in nursing homes, their own homes, and those living in other long-term care settings, the value of these professionals is unquestionable.

- CNA week has a rich history that dates back to World War I.
- The CNA professional field began officially during World War I.
- In 1914, a great need for direct care and treatment services for wounded soldiers arose.

Thank you to our C.N.A's Chaunte, Amina, and Monica. We appreciate all you do for our participants on a daily bases!

Happy Anniversary

Kristin is celebrating her five year anniversary as the Community Support Specialist on June 4th. Kristin is responsible for tours, enrollments, care plan meetings, and participant advocacy. Please congratulate and thank Kristin for all her hard work.

Brittany is celebrating her 1 year anniversary with the day center as a Recreation Specialist on June 17th. Brittany is responsible for facility activities and enriching the days of our participant. Please congratulate and thank Brittany for all she does!

Rochelle is celebrating her 1 year anniversary with the day center on June 21st. Rochelle is responsible for facilitating activities and enriching they days of our participants. Please congratulate and thank Rochelle for all she brings to the team!

Thank you all for what you do on a daily basis. Our team wouldn't be the same without you!
