Dear Participants and Families,

We hope this newsletter finds you healthy and safe. We continue to follow the guidelines from the CDC and Public Health.

If any participant, any family members and/or housemate are getting tested for COVID-19, regardless if it is procedural, routine or because of symptoms we ask you to notify the day center immediately. Please keep your loved one home until test results come back & are communicated to the Adult Day Center staff. Confidentiality will be maintained. When returning to the Day Center you must be fever free for 24 hours without the use of medications and have a reduction in symptoms.

Please help us keep everyone safe and healthy and keep your loved one home if they are experiencing any illnesses. If they come in and show any symptoms we will call families and send them home.

Mama Megs Ice Cream

On July 12th we are excited to have an ice cream truck coming to the neighborhood. We are inviting families and other community members from local businesses next to the day center. Come and enjoy ice cream with us and don't forget to bring your money.

Community Outings

Our community outings are back and we are busier than ever. Outings will now be held with the assistance of YWCA for transportation. A sign up sheet will be provided for each outing and it is up to you which ones you would like to attend. When there is a cost that goes along with the outing each individual will be responsible for their own fee. The Adult Day Center does not cover that cost. Please let the Recreation Specialist know places you would like to go so they can add it to the schedule. We are excited to go back into the community with you! In July some of the places we will be visiting are the Bowling Alley, Tully's, Olbrich Garden's, Dane County Humane Society and Burger King. Remember to sign up in advance!

Thank you

A huge thank you to the anonymous girl scout troop who donated cookies to the day center last month! Thank you! Participants have enjoyed several special afternoon snacks!
